

### **Theraplay Supervision—Evanston Group**

- Work on Theraplay certification
- Receive consultation on a difficult case
- Network with other Theraplay-trained people
- Observe a wide variety of Theraplay cases and applications
- Boost your confidence after attending the Introductory training by seeing more Theraplay work

Group supervision sessions are held once monthly on first Fridays from 1:00 – 4:00 p.m. at our downtown Evanston headquarters. Lunch and refreshments may be purchased prior to the group at the café on the first floor of the building.

The fee to make a case presentation for supervision/consultation is \$100. Presenters are invited to stay to observe the other presentations at no additional charge. Practicum students can earn 1.5 credits by presenting a case and observing the supervision of the two others, in effect saving \$50 in supervision. Up to ten credits can be earned by observation. It is not necessary to be a practicum student to participate.

If you wish to observe only, the fee is \$15 per hour, and you can come for one, two or three hours.

The group is confidential, small and welcoming, and much more fun than sending a video and waiting for e-mail supervision! Each session will be led by a certified Theraplay Trainer/Supervisor, and attendance will be limited.

Come as often as you wish. There is no obligation to commit to once per month, but we do require you to reserve your space 48 hours in advance.

#### **For more information or to reserve your space contact:**
